Maximize business
productivity

Phaser® 3300MFP multifunction laser printer

Fast and feature-rich. With high-speed print and copy, and full-featured scan and fax, this powerful multifunction printer delivers document handling that gives busy work teams a competitive edge. Value-priced and network-ready, the Phaser 3300MFP is the robust, reliable choice for your business.

High-end performance

The Phaser 3300MFP is built for speed, with the printing and scanning performance of larger multifunction devices.

30
ppm

- **Copying and printing that moves at the speed of business** (30 ppm with the first page out as fast as 8.5 seconds).
- **Get more printing done** with a 300-sheet capacity, expandable to 550 sheets, and the ability to handle special custom-sized media such as postcards and envelopes.
- **1200 image quality printing** gives your documents a high-quality, professional impact.
- **Print any document with confidence**, thanks to full PCL and PostScript 3 support and automatic tray switching that switches to the next tray when the default tray is empty.
- **Precision engineering** ensures that the Phaser 3300MFP is easy to set up, use and maintain.
- **Digital workflows** let you route electronic and scanned-in paper documents to their correct locations on the network.

Rich feature set at a value price

The Phaser 3300MFP is loaded with features that help you reduce operating costs and optimize resource usage.

- **One device** gives you the right combination of office tools—print, copy, scan and fax—at one great price.
- **Powerful fax/scan tools** bring fax and paper documents easily to the network, for distribution via email, fax or through your network's LDAP address book.
- **Network ready** with built-in Ethernet connectivity, remote management tools and network security.
- **Save money on resources:** Toner-saver and power-saver modes and features like N-up printing and ID Card Copy make it easy to reduce toner, paper and energy costs.
- **Automatic two-sided printing** improves productivity and reduces paper use.
- **Scan to/print from a USB memory drive** from the front control panel in multiple file formats. No computer needed!
- **All the features of top fax machines** including speed dial, Secure Fax, color send and LAN fax.
